MONTHLY EDUCATIONAL SERIES

Please join Jewish Senior Services as we kick off our Monthly Educational Series for families and caregivers that are facing challenges providing care for loved ones with memory loss.

We recognize that caring for individuals with memory loss can be mentally, emotionally and physically challenging and we invite you to meet the experts that can provide you with the information and resources that can help you and your loved ones.

This series will include presentations and group discussions about prominent issues related to memory care-related challenges.

March and April sessions will take place in the Recreation Center in The Jewish Home, located at 175 Jefferson Street, Fairfield, CT. We hope to host the May and June sessions at our new campus, more details to follow.

Admission is free!
