

Music & Movement with Meryl & Jodi

2021-22

We are excited to offer this hour-long after-school enrichment class for 3- and 4-year-olds! This year we will be making music, moving our bodies, and discovering the meaning of musical terms such as *steady beat*, *dynamics*, *tempo*, and *repetition*. No prior musical skills are required! All children are innately musical, and we are guaranteed to have fun, experiment, and learn together!
